

# ***END THE LIES ABOUT ISRAEL NOW!***

The attacks against Israel and Jews worldwide since October 7 by Hamas and its apologists represent new forms of ***blood libel lies*** against us.

In Medieval Europe, the church and nobility incited peasants into atrocities against Jews by accusing Jews of non-existent acts of “blood rituals”, cruelly resulting in repression, exile and many horrific pogroms.

***This horrific antisemitism is happening again!***

## **LIE > ZIONISM IS RACISM: FALSE!**

Zionism is the religious yearning for a Jewish Homeland after nearly 2,000 years in exile. It became a political movement in the 1880’s to protect European Jews from perpetual oppression by returning us to our ancient Holy Land, creating a new Jewish State. Zionism has never been a movement of oppression, apartheid or superiority against any other race, religion or people. Israel does not practice racism.

**The notion that Zionism is “racism” is a LIE.**

## **LIE > GAZA IS OCCUPIED BY ISRAEL: FALSE!**

The Arabs have chosen not to create a Palestinian State since 1948, when the two sides were mandated by the U.N. to create Two States at the end of the British occupation. Gaza has **NOT** been occupied by Israel since 2005, when it withdrew from that former Egyptian territory, held since the 1967 Jewish victory in the Six-Day War. In 2006, ***unoccupied*** Gaza held disputed election. The Hamas Terror Entity declared victory, destroying the “Gaza Unity Government” and starting the Hamas-PLO/PA War (2006-2009). Cruel Hamas has been the sole government of ***unoccupied*** Gaza since 2007.

**The notion that Gaza is still “occupied” is a LIE.**

**LIE > ISRAEL'S SELF-DEFENSE IS DISPROPORTIONAL:  
*FALSE!***

On October 7, 2023, 1,140 Israeli citizens and foreign nationals were killed, 248 taken Hostage by Hamas, many killed since then. With a population of about 10 million, Israel is about one/34th the size of the U.S. This means the death toll of about 1,300 Israelis by Hamas would be proportional to over 45,000 Americans killed! On December 7, 1941, Japanese forces attacked Pearl Harbor, Hawaii, killing 2,403 Americans including 68 civilians. The subsequent American victory over Japan resulted in an estimated 1,740,000 Japanese military deaths and approximately 900,000 Japanese civilians killed. No one in 1941 was concerned about “proportionality”. And no Americans were concerned about “proportionality” after the 9/11 Arab Terror Attacks here. Israel was brutally attacked on Oct. 7 and makes its own judgements about the scale of its self-defense against an enemy that calls for its destruction.

Hamas started this war. Israel will finish it.

**The accusation of “disproportionality” is a LIE.**

**LIE > COLONIALISM IN OUR ANCIENT LAND: *FALSE!***

How can you “colonize” the land of your birth, a land you never left? The Jewish People have lived continuously in Israel for over 3,500 years, as clearly shown in the Bible, archaeology and historic documentation.

Jews had been stateless for 1,875 years since 73 CE, but have had a continuous presence in Judea, Turkish and then British Palestine for that entire time. Jews did not need to “colonize” Israel; we never left. Modern

Jews from every corner of the globe return to HaEretz (The Land), joining the existing Jewish *Yishuv* not as “colonizers” but as full citizens.

On May 14, 1948, Israel declared its independence as a Jewish State from the decaying British Empire. L’chaim!

We have every right to live here.

**The accusation that Israel is a “colony” is a LIE.**

## **LIE > THE ACCUSATION OF GENOCIDE: FALSE!**

The appropriation of this term, used for the near annihilation of the Jews in Europe by the Nazis and their henchmen, 1933-1945, has absolutely **no** foundation, and is despicable regarding Israel's appropriate retaliation against Hamas in Gaza. Genocide is defined by the Geneva Convention as the intentional extermination of an entire people. There have been genocides, by the Turks against the Armenians, by the Nazis, by the Nigerians in Biafra, by Shi'ite Arabs against Yazidis in Iraq. But the self-defense of Israel against the Hamas terrorist government in Gaza that attacked Israel on Oct 7 is absolutely not "**genocide**". When Israel left Gaza in 2005, it left the infrastructure it built intact, for use by Gazans. Instead, Hamas intentionally destroyed that vital infrastructure for spite. After Israel left Gaza in 2005, Gaza workers had been allowed into Israel to work, and sent back billions in remittances. Israel also regularly sent water, gas, electricity and food into Gaza, and sent taxes collected for the PA into Gaza. Israel allowed Gazans in for medical treatment and travel to Judea & Samaria (West Bank), Egypt and Jordan. Israel also allowed the flow of foreign aid money into Gaza, over \$12 billion since 2005, which evil Hamas used to build tunnels and terror rockets, while their own people suffered under their brutal rule. Egypt and other Arab countries do not want Gazans to come in. In Lebanon, Palestinians are not even allowed to work legally. Until Oct 7, Gazans and West Bank Palestinians could legally work in Israel and thousands did.

You cannot commit "**genocide**" against those you economically support. The only attempted genocide now is by Hamas, whose leaders have openly sworn to destroy Israel and Jews everywhere. Israel has no designs to exterminate Gazans, only to destroy the Terrorist Hamas Entity, which perpetuated the invasion and murdered our Hostages.

**The accusation of "genocide" is a disgusting LIE.**

## **STOP ALL THE VICIOUS LIES AGAINST ISRAEL!**

***DON'T ALLOW HAMAS APOLOGISTS & SUPPORTERS IN THE MEDIA & ON CAMPUSES DISTORT THE FACTS ON THE CURRENT SITUATION. ISRAEL WAS ATTACKED!***

### **FACT ~**

Because of Hamas, the people of Gaza are suffering and are far worse off that they were before Oct. 7.

### **FACT ~**

The most human rights that exist anywhere in the Middle East, from citizenship, freedom of religion, the right to vote, women's rights, etc., exist in Israel.

### **FACT ~**

The people who support and apologize for Hamas burn Israeli AND American flags, riot, harass Jews on campuses and on the streets, threaten and desecrate Synagogues and Jewish-owned businesses.

### **FACT ~**

Since 1979, the Islamic Dictatorship of Iran has made war on Israel using "proxies" Hamas in Gaza, Hezbollah in Lebanon, Houthis in Yemen and Shi'ite Militias in Iraq.

Israel has the perpetual right of Self-Defense to protect itself, the first Jewish Nation in almost 2,000 years.

### **FACT ~**

**Being anti-Israel is another form of antisemitism.  
The time to PUSH BACK is NOW!**
